Explanatory Statement pursuant to Section 102 of the Companies Act, 2013:

Item No 4,5 and 6

During the year, Shri Somesh Bose and Shri Tapas Basak, Directors of the Company, were declared as disqualified vide notification dated 7th September, 2017 issued by the Ministry of Corporate Affairs and hence both of them vacated office as Director of the Company w.e.f. 14.02.2018. Hence there was need to appoint at least two more Director on Board of the Company to form a duly constituted Board of Directors in terms of provisions of Section 149(1) of the Companies Act, 2013. Hence, Shri Ajay Kumar Dasgupta and Shri Nabi Ahamad were appointed as Additional Directors by Board w.e.f. 14.11.2017.

The Company received notices in writing in prescribed manner under Section 160 of the Companies Act, 2013 from shareholders of the Company proposing candidature of Shri Ajay Kumar Dasgupta and Shri Nabi Ahamad as Directors of the Company.

Except Shri Ajay Kumar Dasgupta and Shri Nabi Ahamad, no one is concerned or interested in the Resolution of the accompanying Notice relating to his appointment.

Section 149(4) of the Companies Act, 2013, requires every listed Company to have at least one-third of the total number of directors as Independent Directors. Also Regulation 17(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, requires every listed company which do not have a regular non-executive chairperson, at least half of the Board of Directors to comprise of independent directors.

During the year Shri Tapas Basak, Independent Director of the Company, was declared as disqualified vide notification dated 7th September, 2017 issued by the Ministry of Corporate Affairs and hence he vacated office as Director of the Company w.e.f. 14.02.2018. Hence there was need to appoint at least two Directors as Independent Directors on Board of the Company to form a duly constituted Board of Directors in terms of provisions of Section 149(4) of the Companies Act, 2013 and Regulation 17(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Hence, Shri Ajay Kumar Dasgupta and Shri Nabi Ahamad were appointed as Additional Directors by Board w.e.f. 14.11.2017 and also Independent Directors, (if appointed as Ordinary Directors by shareholders at the ensuing AGM), subject to approval of the members of the Company at the ensuing Annual General Meeting.

Shri Ajay Kumar Dasgupta and Shri Nabi Ahamad, the Independent Directors of the Company, have submitted the Declaration of Independence, as required pursuant to Section 149(7) of the Companies Act, 2013, stating that each of them meet the criteria of Independence as provided in Sub -Section 149(6) and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Hence the appointment of Shri Ajay Kumar Dasgupta and Shri Nabi Ahamad as Independent Directors to hold office for a term up to five consecutive years commencing from the 27th September, 2018 has been mentioned under Item 4 and 5 for approval of shareholders.

The terms and conditions of appointment of the Independent Directors shall be open for inspection at the registered office of the Company by any member during normal business hours and the same shall also be available at the Company's website.

The Board is of the opinion that the aforesaid directors possess requisite skills, experience and knowledge relevant to the Company's business and it would be in the interest of the Company to continue to have their association with the Company as directors.

Further, in the opinion of the Board, the proposed appointment of Independent Director fulfills the conditions specified in the Act and the Rules made there under and that the proposed appointment of Independent Director is independent of the management.

Except Shri Ajay Kumar Dasgupta and Shri Nabi Ahamad, no one is concerned or interested in the Resolution of the accompanying Notice relating to his appointment.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

REVIEW OF ECONOMY

India has become the fastest-growing major economy in the world according to the Central Statistics Organization (CSO) and International Monetary Fund (IMF). India is expected to be one of the most powerful economies of the world in a period of 10 to 15 years backed by its strong democracy and partnerships.

FY2017-18 was marked by a significant economic measure taken by the government: It implemented the Goods and Services Tax (GST) from July, 2017 as the country moved to 'one nation-one tax'. The reform has helped India move into the Top 100 Club in the World Bank's 'Global Ease of Doing Business' rankings.

The Indian economy continued to grow strongly, as the economy recovered in the 2nd half post stabilization of the GST regime. India's GDP growth rate in 2017-18 was 6.6 per cent and is expected to grow to 7.3 per cent in 2018-19.

The Government of India has taken significant initiatives to strengthen the economic credentials of the country and make it one of the strongest economies in the world. The Government has also come up with the Digital India initiative, which focuses on three core components: the creation of digital infrastructure, delivering services digitally and to increase the digital literacy.

Industry Trends and Outlook

India's gross domestic product (GDP) is expected to keep growing at a rapid pace and achieve upper middle income status on the back of digitization, globalization, favorable demographics, and reforms. India has made progress on structural changes in the recent past and the implementation of the Goods and Services Tax (GST) will help reduce internal barriers to trade, increase efficiency and improve tax compliance. The corporate debt overhang and associated banking sector's credit-quality concerns have exerted a drag on investment in India. The massive bank recapitalization programme will improve the banking sector's ability to support growth.

INTERNAL CONTROLS

The company has adequate systems of internal control in place, which is commensurate with its size and the nature of its operations.

Internal Audit function plays a key role in providing to both the operating management and to the Audit Committee of the Board, an objective view and reassurance of the overall control systems and effectiveness of the Risk Management processes across the Company and its subsidiaries. Internal Audit also assesses opportunities for improvement in business processes, systems and controls and provides recommendations designed to add value to the operations.

The Audit Committee meets on a quarterly basis to review and discuss effectiveness of the internal control system. The Audit Committee also meets the Statutory Auditors separately to ascertain their views on the adequacy and efficiency of the internal control systems.

Swot Analysis

Opportunities:-

Government Initiatives

The chemicals industry of India contributes 2.1% towards the nation's gross domestic product (GDP) and accounts for 15.95% of India's manufacturing sector.

Chemicals industry occupies a pivotal position in meeting basic needs and improving quality of life. The industry is a key enabler for industrial and agricultural development of the country and provides building blocks for several downstream industries, such as textiles, papers, paints, varnishes, soaps, detergents, and pharmaceuticals. It is also among the most diversified industrial sectors and covers over 80,000 commercial products.

The government permits 100% foreign direct investment (FDI) in this sector under the automatic approval route. Manufacturing of most chemical products inter-alia covering organic/inorganic, dyestuff and pesticides is de-licensed.

Factors such as boost to speciality and agrochemicals chemicals due to rapid development in construction and agricultural sector, inadequate per capita consumption and strong demand from paints, textiles and diversified manufacturing base shall aid towards the development of Indian chemicals sector, the same is expected to grow at around 9% per annum and touch US\$ 214 billion by 2019.

Government of India has launched several schemes and initiatives to encourage growth of the sector which include:

Petroleum, Chemical and Petrochemical Investment Region (PCPIR) scheme: concept of PCPIR is a cluster approach to promote petroleum, chemicals and petrochemical sectors in an integrated and environmental friendly manner on a large scale.

PCPIRs have already received investments worth US\$ 24.68 billion till now, these PCPIRs are expected to attract investment in the tune of US\$ 117.42 billion approximately.

PCPIRs are being developed in Andhra Pradesh, Gujarat, Odisha and Tamil Nadu and have already generated direct and indirect employment for 0.2 million people with total potential of 3.4 million.

Threats

Lack of availability of skilled manpower:-

Despite having a favorable demographic profile, labour and skill shortage continues to be one of the key concerns for the Indian chemical industry. The Government along with Industry bodies are putting their best foot forward to have education and vocational training institution arming the manpower with appropriate skill set. The special mention for development of skilled manpower in the Union Budget 2015-16 is expected to resolve the dearth of skilled manpower.

Cheap Imports:-

Structural shifts in the Chinese market arising from over capacity coupled with weakening prices are threatening the Indian players. As China threat was partly getting managed through the anti dumping duty route, we now have Russian problem. Russia is a key producer of steel and as its currency has hit rock bottom, the Indian market can see cheap imports.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Master Chemicals Limited
Report on the Financial Statements

1. We have audited the accompanying financial statements of Master Chemicals Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive income), the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rule, 2015 (as amended) under Section 133 of the Act. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these Ind AS Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS Financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS Financial Statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2018, its loss and its cash flows for the year ended on that date.

Other Matter

The Financial Statement of the Company for the year ended March 31, 2017 and the transition date opening Balance Sheet as at April 1, 2016 included in these Ind AS Financial Statements, are based on previously issued statutory financial statements for the year ended March 31, 2017 and March 31, 2016 prepared in accordance with Companies (Accounting Standards) Rule 2006 (as amended) which were audited by other auditors on which unmodified opinion was expressed dated May 29, 2017 and May 24, 2016 respectively. The adjustments to those financial statements for the difference in accounting principles adopted by the Company on transition have been audited by us.

Report on Other Legal and Regulatory Requirements

7. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order.
8. As required by section 143(3) of the Act, we further report that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid Ind AS Financial Statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014;
 - e) on the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of Section 164(2) of the Act;
 - f) Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of section 143 of the companies Act, 2013 ("the Act") is enclosed as an annexure A to this report;
 - g) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise;

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MASTER CHEMICALS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ('the Company') as of 31st March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. Hence, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2018.

We have considered the disclaimer reported above in determining the nature, timing and extent of audit tests applied in our audit of the Ind AS Financial Statements of the company, and the disclaimer does not affect our opinion on the financial statements of the Company.

Notes to financial statements for the year ended 31st March 2018

1. Corporate information

Master Chemicals Limited is a public company domiciled in India and incorporated under the provisions of Companies Act, 1956. Its shares are listed on Bombay Stock Exchange in India. The company's main object of business is mentioned in the Memorandum and Articles Association of the company.

2. Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- i) Certain financial assets and liabilities,
- ii) Defined benefit plans - plan assets and

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Upto the year ended March 31, 2017, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

These financial statements are the Company's first Ind AS standalone financial statements.

Company's financial statements are presented in Indian Rupees ('000), which is also its functional currency.

2.1 Summary of significant accounting policies

a) Statement of compliance

The financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time.

b) Use of estimates and critical accounting judgements

In the preparation of financial statements, the company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment, useful lives of property, plant and equipment and intangible assets, valuation of deferred tax assets, provisions and contingent liabilities and fair value measurements of financial instruments as discussed below. Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in the respective policies.

c) Finance cost

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

d) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

e) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

- Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

f) Revenue recognition

Revenue from sale of goods/services is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from operations includes sale of goods, services, service tax, excise duty and adjusted for discounts (net).

Interest income

Interest income from a financial asset is recognised using effective interest rate method.

Dividends

Revenue is recognised when the Company's right to receive the payment has been established.

g) Financial instruments**i) Financial Assets****A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement**a) Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

D. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instrument.

h) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

i) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

j) Cash and Cash equivalents

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

k) Exceptions to retrospective application of other Ind AS

i) Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with Previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is an objective evidence that those estimates were in error. The company has not made any changes to estimates made in accordance with Previous GAAP.

ii) IndAS 109- Financial Instruments (Classification and measurement of financial asset)

Classification and measurement of financial assets shall be made on the basis of facts and circumstances that exist at the date of transition to Ind AS.

iii) Disclosure in respect of Indian Accounting Standard (Ind-AS)-101: First time adoption of Ind-AS

These are the company's first financial statement as per Ind-AS

The Company has adopted IndAS with effect from 1 April 2016 with comparative being restated. According the impact of transition has been provided in opening Reserves as at 1 April 2016. The figure for the previous period have been restated, regrouped and reclassified whenever required to comply with the requirement of Ind AS and schedule III.
